INSURING AGREEMENT

Protective Property & Casualty Insurance Company agrees, subject to the following terms, conditions and exclusions, to reimburse the Certificate Holder for receipted expenses incurred which are payable under the terms of this Certificate.

I. DEFINITIONS

The following definitions apply to words used frequently in this Mechanical Breakdown Insurance Certificate :

Administrator	means the Administrator as printed on the Declarations Page.
Breakdown	means a failure of a defective part or faulty workmanship as supplied by the Vehicle manufacturer, a dealer or Licensed Repair Facility but does not include gradual reduction in operating performance due to wear or tear. In the event a failure occurs to a non-covered part under this Certificate due to the failure of a Covered Part, the non-covered part will be repaired. In the event a failure occurs to a Covered Part under this Certificate due to the failure of a non-covered part, the Covered Part will be repaired.
Covered Part(s)	means the parts and components described in the Schedule of Coverages which attach to and forms part of this Certificate, that are original parts on Your Vehicle at the time of its purchase by You or like replacement parts meeting the manufacturer's specification.
Certificate	means this Mechanical Breakdown Insurance Certificate, as printed on the Declarations Page, which You have purchased from Us to protect Your Vehicle described on the Declarations Page.
Coverage	means the protection You have selected, as shown in the Coverage Information Section on the Declarations Page, which applies to Your Vehicle.
Declarations Page	means the numbered document which must be attached to and forms part of this Certificate. It lists information regarding You, Your Vehicle, Coverage selected, and other vital information. Please review the Declarations Page to confirm this information is correct. If this information is not correct, immediately call the Administrator.
Deductible	means the amount You are required to pay, as shown on the Declarations Page, towards the total cost, per repair visit, for repair or replacement of parts covered under this Certificate. Licensed Repair Facility	a repair facility registered with the state to perform mechanical repairs.
Lienholder	means the person or company named on the Declarations Page that has advanced the money for the purchase of this Certificate.

Reasonable Cost(s)	means the repair cost that is recognized locally and/or nationally for a covered repair. We will use published parts and labor guides to establish repair cost. Replacement of Covered Parts will be made with new, remanufactured, or survivable used components. If the covered repair is not authorized by Us, We then reserve the right to reduce the repair reimbursement to Reasonable Cost.
Schedule of Coverages	means the numbered document which must be attached to and forms a part of this Certificate. It lists the Coverages provided to You for Your Vehicle under this Certificate. If not attached, immediately call the Administrator.

V. OTHER PROVISIONS

- A. Arbitration** – If You and We fail to agree on any matter concerning this Certificate, each must demand in writing from the other that the matter be arbitrated. We shall each select an arbitrator and the two arbitrators shall select a third arbitrator. The decision of any two of the three arbitrators is final and will be binding upon You and Us.
- B. Other Insurance** – This Certificate provides Coverage only in excess of other applicable and valid policies of insurance (including all warranties and service contracts) which You have, or under which You can recover from third parties.
